

9x5 Exhibition and Auction

Inspired by this rich Australian art history, the Cannery has been hosting our main fundraiser- the 9x5 Exhibition and Art Auction for over 25 years. This biennial event raises funds to keep the Cannery Arts Centre sustainable.

The Cannery provides the 9x5inch boards and artists apply their talent and donate a work of art to the Cannery for auction. Over the past twenty-five years we have seen some amazing artworks created by mostly local artists but also gifts from State, National and International artists.

The silent auction runs from the 10th November to the 17th of December.

***Live Auction on 17th December 2pm** held on-site in the main gallery. The silent auction bids will set the reserve price for the live auction. Phone bidders welcome but must register-see i*

How to Silent Bid

1. Sign up for a bidder number by providing all the relevant details on the form in the foyer.
2. Go to the artwork you wish to bid upon.
3. Only bid if you want to bid higher than the current highest bidder. Write your bidder number down and the amount you wish to bid.

If this amount does not get bested in the live auction, you will be contacted as the winner of that item. You will be required to pay for the item within one week. Freight can be arranged at an additional cost.
